Minutes: January meeting minutes were approved.

Coalition Updates:

Lili shared that we have 42 attendees at January's Caring for Head & Heart event. All In hosted Responsible Seller/Server training by Alcohol and Tobacco Control on February 6 for area businesses. All In Wydown were on KMOV Channel 4 for their fortune cookie project on January 26, where they handed out fortune cookies with vaping information in them during lunches. All In has a new Media Sector Representative, Matt Woods who is a digital content producer with KMOV and produced the *Contaminated: The Fentanyl Crisis* last fall. [PreventEd's Teen Institute](#) is now open for registration and Lili asked folks to take flyers to share with high school students who may be interested. We will be asking for volunteers to help with the *Screenagers Under the Influence* screening in March 1.

Action Planning:

Kim Rodriguez led an Action Planning session. Attendees broke into groups and brainstormed strategies to address underage access to alcohol, specifically adults providing alcohol to youth and youth purchasing alcohol from area businesses. The groups listed strategies under the 7 Strategies for Community Change.
